Re: Requirements to Apply to the Holy Spirit Apostolic Ministry

Dear Pastor,

Requirements for the application:

1. Submit a letter of recommendation from the ministry where it was ordered and / or the coverage from which it was sent, authorizing you to seek other coverage, unless you have a good reason why you cannot obtain it.
2. Accompany your application, the legal documents of your church (legal status).
3. Provide digital photos of the lead pastors of the requesting church.
4. Include a copy of your marriage certificate.
5. For ministerial ethics, integrity, and respect for other ministries, no coverage applicant may currently be under another coverage or denomination.
6. Your church must be mature, strong, established for 3 years or more, and have a minimum membership of 30 members.
7. Your church or ministry must NOT have been born from a division.
8. Pastors of the requesting church must have a good personal and ministerial witness.
9. They must preach sound doctrine, showing continued growth and fruit, both spiritually and naturally.
10. The main objective for which we seek our coverage should be, primarily, to go to another level to establish and promote the Kingdom of God here on earth.

We only receive the complete application packages, which contain all the documents and meet all the requirements indicated in the list. Incomplete packages will not be considered and will be discarded.

From the organization "Holy Spirit Apostolic Ministry" receive a warm greeting and we hope to start working together in God's plan.

Cordially,

Apostle Ismael Pimentel
Holy Spirit Apostolic Ministry
